# Employee Incentive policy - 2026

**Employee referral Incentive**

Under this program, any employee who refers an experienced candidate from our industry & successfully gives closures, the referring employee will receive 20% of the total incentive given to the First closure of referred employee.

**For example, if Employee X refers Employee Y and Y successfully gives a placement earning a Total incentive of INR 42,000, Employee X will receive INR 8,400 for the First Closure done by Emplosyee Y.**

**Salary Revision (Junior to Mid-Level Experience):**

Each successful closure results in a salary increase of INR 4,000, with the maximum salary limit being 40,000 INR. Eligibility for this incentive requires the employee's salary to be below 40,000 INR.

**Bonus Incentive**

For any of our team members and to any freelancer/recruiters outside our company that are ready to support us – we have an incentive plan.

Any consultant with Project who is successfully transferred into Urpan payroll and completes immigration and paperwork's are eligible for an incentive of INR 2,00,000 per closure.

This incentive will be in 4 installments of INR 50,000 at the end of 3rd, 6th, 9th and 12th months completion of consultant's payroll in USA.

**US Consultants Referral**

Under this program, If any consultant (Say X) in USA refers a new consultant (Say Y) to our payroll and only after successful placement and consultant Y completes 12 months in our US payroll, the consultant X is eligible for incentive of $2000.

This incentive will be in 2 installments of $1000 at the end of 6thand 12th months completion of consultant's payroll in USA.

Note: No incentive applicable to offshore employee for us consultant referral. There is an exception scenario which can be discussed with Sales manager/Management and applied to get incentive

## Incentive Processing & Terms

- Monthly Payouts – Incentives are processed based on vendor Payments.
- Minimum Eligibility Requirement – Candidates must remain on a project for at least one month in US Payroll (160 + hours).
- Placement Verification – All placements must be documented and approved before payout.
- Employment Requirement – Recruiters must be actively employed with **Urpan Technologies** during the payout period.
- Plan Adjustments – Urpan Technologies reserves the right to review, modify, or terminate the incentive plan as needed.
- Weekly Status Updates – Recruiters must engage with consultants weekly and submit status reports to management.
